A bit about us...

We are Sarah and Alex, two educators and artists, and we put a lot of love and care into making quality kids content designed to entertain little ones while they learn. Whether you are a parent or teacher, or you're looking for great materials in English or Spanish, nothing makes us happier than knowing Tea Time Monkeys creations help you educate and entertain your children!

Much of our focus is on teaching English as a second language, but everything at Tea Time Monkeys is just as fun for English speaking toddlers and preschoolers! All our printable material is also available in Spanish, so if you're teaching Spanish to young kids you're in the right place.

We created Tea Time Monkeys as a whole world for children - a world full of colour, fun, learning, play, laughter, creativity and imagination. We want it to be a place for you to share and enjoy with your kids as they take their first steps on the journey of learning and discovery!
